Dear Salim,

On behalf of Kids Up Front Foundation (Vancouver), thank you for your support. Your thoughtful gift will provide kids in need with access to inspiring events such as a Whitecaps FC game, a symphony performance, a live play or educational day camp, all opportunities that otherwise would be inaccessible.

Kids Up Front currently partners with over 100 child-serving agencies across Metro Vancouver. Our partner agencies provide the basic essentials of life, typically identified as minimum levels of food, clothing and shelter, while **Kids Up Front provides the often neglected nourishment of the spirit**, another crucial element for healthy development.

Kids Up Front continues to make a powerful, positive impact on thousands of local kids and families. Since we opened our doors in Vancouver in June 2004, Kids Up Front has provided more than **314,000 quality experiences** to kids and families in need at a total value that surpasses **\$9.28 million**.

Salim, many thanks again for your generous donation. We look forward to working with you again in the future.

**Together, we are boosting children's spirits and making a measurable difference in their world.**

Warmest regards,

**Roger Kayo**  
Executive Director  
Kids Up Front Vancouver

*"I feel extremely fortunate to be able to provide this service for our families. The generosity of Kids Up Front's donors and supporters enable our families to experience some pretty special unity; time together that is priceless and precious! When I look at 'my kids' when they come back after an event, they are excited, thrilled and like a ripe strawberry, ready to burst. I feel so full of pride that I can, with the help of Kids Up Front, make dreams and wishes come true..."*
